**JOHN LYON'S
CHARITY**

**SPACE2GROW CHILDREN AND YOUNG PEOPLE'S FUND
SMALL GRANTS FOR SMALLER MEMBERS VIA - SPACE2GROW #33
MINIMUM ELIGIBILITY CRITERIA**

Young Barnet Foundation Vision & Mission - it is important that you understand who we are and why we do what we do and that as a member you are committed to supporting our aims, mission, and vision.

Our Vision

All children and young people thrive.

Our Mission

Every child and young person in the borough of Barnet has access to activities, opportunities and support services which meet their needs.

Applicant Information Summary

<p>Background – why this funding is needed.</p>	<p>As part of John Lyon’s Charity’s long-term response to the COVID-19 pandemic and as part of their new five-year strategy (published April 2023), they are making available additional funding to the eight London based Young Peoples Foundations (YPFs), which includes Young Barnet Foundation. This is to distribute as small grants to our membership. YPFs can reach elements of the Children & Young Peoples specific Voluntary, Community, Faith, and Social Enterprise (VCFSE) sector, which due to funding policies are often beyond John Lyon’s Charity and other larger funders reach. The ambition is for this funding to help facilitate a vibrant and thriving grassroots VCFSE sector despite the impact of COVID-19, and that through this funding, some of these organisations become more viable and eligible to secure funds directly from larger funders.</p> <p>Data from the 2021 Census shows that Barnet has the second highest population of all London Borough’s.</p> <p>The Census data shows the population is split into 188,400 (48.4%) males and 200,900 (51.6%) females.</p> <p>The population of Barnet has increased the greatest in those aged 75 and over with growth of around 11% (2,700 people), the population aged 20 to 74 has increased by around 10% (24,000 people) while the population aged 0 to 19 has increased by around 7% (6,000 people).</p> <p>Compared to London, Barnet has a greater proportion of the population in those aged 0-15 and again for those aged 40 and over. The proportion of young working age people aged 20 to 39 living in Barnet is lower than that seen in London.</p>
<p>Aim of the Fund</p>	<p>Two previous rounds of this funding have taken place (Space2Grow#21 and Space2Grow#29) and following feedback from these, the following criteria have been developed:</p> <ul style="list-style-type: none"> • Applications should be for a minimum of £2,500 and a maximum of £4,000. • Organisations may have a maximum turnover in the last financial year of £175,000. • Organisations who are currently in receipt of an Open/Main grant from John Lyon’s Charity are excluded from application; it should, however, be noted that in the event of the sum of applications being greater than the total fund, priority may be given to those organisations who have not previously been in receipt of a grant from the John Lyon’s Charity • Organisations who were successfully awarded funding in Space2Grow#29 are excluded from this round of funding for applying for the same project; they may however apply for a different project. • This funding may be used in conjunction with funding from other grant giving organisations, except for the John Lyon’s Charity • Organisations must be full Members of Young Barnet Foundation at the time of application. • It should be noted that the following organisations are not eligible to apply to this fund: <ul style="list-style-type: none"> ○ Schools may not apply for this funding.

- **Supplementary Schools may only apply for this funding for activities outside of delivery of core subject and mother tongue lessons.**

We will invite applications that clearly demonstrate how young people will be supported over the coming 12 months following the ongoing Covid-19 pandemic and continuing cost of living crisis; applications should demonstrate how the project is responding to identified local needs, particularly those which have emerged or escalated because of the pandemic.

Applicants may apply for support for new or existing projects. Applications may be to:

- **Expand an existing project (for instance, in a new location or new age range)**
- **Continue an existing project for a longer period.**
- **Looking at diversifying or changing their delivery model and are seeking core cost funding.**

Funding requests for projects which are exclusively Holiday Activities will not be accepted, as there will be further rounds of Space2Grow funding exclusively for this.

- **Develop the Charity and/or Trustees.**

We are particularly keen to receive applications from member(s) who have not applied for or received any Space 2 Grow funding in earlier rounds. However, the fund is also open to those who have either previously applied or been granted funding **except where they received funding for the same project in Space2Grow#29**. Subject to the exclusions in the “What we won’t fund” section.

Barnet Voluntary Sector Manifesto:

Young Barnet Foundation is a proud partner of Barnet Together, and we stand together to encourage members (as part of the Voluntary, Community, Faith, and Social Enterprise (VCFSE) sector in Barnet) to sign up to the Barnet Voluntary Sector Manifesto.

Developed over several months and with the involvement of seventeen community organisations from across Barnet including Barnet Carers and Barnet Multi Faith Forum, the Barnet Voluntary Sector Manifesto is a declaration of beliefs, commitments and ambitions for organisations that serve the borough of Barnet.

We would encourage all of our members to show their commitment to the sector in Barnet and read/sign up to the manifesto here: https://www.inclusionbarnet.org.uk/barnet-together/#tab_voluntary-sector-manifesto

As a part of the application form, we will be asking members to confirm if they have already signed up to the Manifesto, or if they have not done so, whether they wish to do so.

We know that many of you have already done this, so thank you (if you can't remember, you can also view a list of organisations that have signed up on the same website)

Grant Monitoring Process:

Successful applicants will be provided with full details of the Monitoring & Evaluation Process. This is not designed to be difficult but is needed to demonstrate the difference your project has made.

The Monitoring & Evaluation form will therefore ask you to provide:

- Details of the numbers of Children and Young People who attended your project.
- An outline of the achievements of the project
- An anonymised quote from a participant
- A quote from one of your staff or volunteers
- Photos of your activity, and confirmation that the appropriate permission has been sought.
- Any issues encountered.
- Whether you met your proposed numbers of attendees, and if not any reasons for this.
- What difference undertaking the project, and the support from Young Barnet Foundation has made to your growth and sustainability as an organisation.
- How the Charity's grant was used including relevant documentation, receipts, photographs of the project etc.

- Your Grants Manager or nominated person from Young Barnet Foundation, may also undertake a Monitoring Visit to see how your project is progressing. If your grant is related to a specific activity, please advise your Grants Manager of the session dates over the project year so that they can attend at an appropriate time.

Please note: reporting is not designed to be onerous, however, we need to evidence the impact of funding so that we can grow local funding to support the sector further along with accounting for Public Money.

Failure to provide the Monitoring & Evaluation in a timely manner will result in funds being withheld, and in extreme cases, to further applications from Space2Grow funding being withheld for consideration until this is rectified.

The data provided will be shared of the funders.

Terms and definition

VCFSE (Voluntary, Community, Faith, and Social Enterprise)

VCFSE (Voluntary, Community, Faith, and Social Enterprise), sometimes referred to as the Third Sector, is the term used to describe the range of organisations which are neither state nor the private sector. It includes organisations such as associations, self-help and community groups, voluntary organisations, social enterprises, housing associations, mutuals and co-operatives. Such organisations are sometimes, but not always, charitable (as defined in law) but may be registered charities. VCFSE Organisations are independent of government; 'value-driven' – that is, they pursue social, environmental, or cultural objectives rather than primarily aiming to make profit; they reinvest any surpluses, or in the case of Social Enterprises all surpluses, in the pursuit of their objectives.

A **constituted group** is a **group** of people who come together to further any objective; in this case, to support children and young people. The **group** is run on a voluntary basis and is set up as a small organisation in its own right, with a management committee, constitution, and its own bank account.

This document is expected to be read in conjunction with the Space 2 Grow Children and Young People's Fund (no.33) Terms and Conditions.
