

YOUNG BARNET

FOUNDATION

OUR COMMITMENT
EQUALITY, DIVERSITY, INCLUSION

Young Barnet Foundation continues to progress with our equitable practices. We believe that we can always do more and it is important that we emphasise this.

We will use our voice to champion equality, diversity, and inclusion within the sector and beyond.

We will adapt our practices where necessary to support the diverse needs of our members.

We will ensure that all staff (and potential staff), volunteers and trustees are treated in a fair and equitable manner.
