

# YOUNG BARNET

FOUNDATION

## OUR COMMITMENT

Young Barnet Foundation's role as a membership organisation is to support the delivery of activities and services for Children and Young People (CYP) within the local community. We offer the following commitment to our members;

We are transparent about where Space2Grow funding has been allocated

We work collaboratively to elevate the work of our members and partners

We are responsive and empathetic to the needs of our members

We do not deliver services to children and young people
