FOUNDATION

OUR COMMITMENT ENVIRONMENTAL SUSTAINABILITY

The Young Barnet Foundation is committed to environmental stability and continues to work towards making progress in regards to sustainable practices.

Providing a safe and healthy workplace

Promoting a culture of environmental sustainability amongst staff, where responsibility is assigned and understood

Being an environmentally responsible neighbour in our community, supporting the work of BarNET ZERO

Conserving natural resources by reusing and recycling. Using, in our own operations, processes that do not adversely affect the environment

Ensuring the responsible use of energy throughout the organisation

Participating in efforts to improve environmental protection and understanding

Taking steps to improve environmental performance - Working with suppliers who promote sound environmental practices

Enhancing awareness among our employees, volunteers, and users - educating and motivating them to act in an environmentally responsible manner
