

Barnet Together Alliance Conference 2022

3rd October 2022

“Call out for video content”

As part of this conference, we will be showcasing the voluntary, community, faith and social enterprise (VCFSE) sector through a video which will be played on screens throughout the day.

As a key part of the sector in Barnet, we'd like to invite you to contribute to this video, by recording a short clip of yourself and answering the following questions:

- 1: What is your name?
- 2: What organisation are you from?
- 3: What is your role at your organisation?
- 4: How would you like to see the sector progress over the next 12 months?

The video should be:

- No longer than 45 seconds long
- Filmed in landscape mode (hold your phone sideways!)
- Sent via WhatsApp to 07894232878 by **Friday 23rd September**
